# Regardz Berghotel

**Our venue in Amersfoort**

The Regardz Berghotel, in Amersfoort, has been our Netherlands base since 1993. Since that time we have seen many changes at the hotel, but we have always benefited from their courteous, helpful and friendly service. As a course delegate, however, you are probably interested in more practical matters.

## How Do I get to Amersfoort?

Situated in the province of Utrecht, Amersfoort may not be a town you have heard of, but its location makes it easily accessible to visitors.

 *Arriving by plane* at Schiphol Airport – Follow the signs to trains. There are 2 direct trains per hour (journey time 45 minutes) and usually at least 2 other trains. See below for more information.

 *Travelling by train.* Amersfoort is situated on two of the country's main north/south and east/west rail lines, making it readily accessible from many European locations. For details of train times and fares visit the NV Nederlandse Spoorwegen website. [www.ns.nl](http://www.ns.nl).

 *Travelling by car.* Amersfoort is connected to the European E road network, and is at the junction of the E30 and E231.

## Finding the Hotel

The Regardz Berghotel is situated on the south eastern outskirts of the town (see map), making it readily accessible by road. For people arriving by train the hotel is a short taxi ride from the station, or if you prefer to walk it is about 1.3 km, or a 20-30 minute walk.

### What are the conference rooms like?

As you will be spending 2 days working in these rooms you will be pleased to know that all the conference rooms have comfortable modern furniture and natural daylight, making them a pleasant working environment

### Other Hotel Facilities

At the time of writing the Berghotel is ranked by Tripadvisor as #1 for business in Amersfoort. We have always found the rooms comfortable, the food good and the staff are genuinely friendly and helpful. For example when the Business Centre has been closed, the reception desk have been happy to help me with on-line check in for my flight home and to print my boarding pass!

For those arriving by road, the hotel has adequate parking for its guests at no extra charge.

Need to access the internet? No problem, the hotel has good wifi internet access.
